

What is Tumbling Tots??

The aim of Tumbling Tots is to provide a fun, interactive session covering the fundamental movement patterns of gymnastics.

This will be achieved by providing a balance between structured and free play activities with the emphasis on a different fundamental movement pattern each fortnight.

Skill development will focus on teaching the child through the parent. The Tutor will therefore ensure that skills are well demonstrated and that parents clearly understand how to assist their child to learn.

Each class will be structured to include warm-up activities, group activities relevant to the session focus, skill circuit and warm down activities.

Circuit activities will emphasize different fundamental movement patterns each session, which will be linked through the warm up and group activities. Parents will work with children more closely in this section of the class, freeing up the Tutor to provide closer one to one assistance and extending children.

Help us, to help you.....

In order to assist the Tutor and to ensure that the Sports Centre is able to provide a safe, fun programme that develops your child's skills, we ask the following :

That during the warm up all children not enrolled in the class are kept off the apparatus, so as not to distract the children on the course.

That, for safety reasons, children do not play on the apparatus before or after the class or without supervision from the Tutor.

That if you have any specific requests/feedback etc, please let either the Tutor or the Sports Centre Recreation Programmer know so that we can ensure the programme is meeting your needs.

Tumbling Tots Programme Parent Agreement

In giving consent for my child/ren to participate in the Tumbling Tots programme, I agree to the following conditions:

- I have read and understand the "Information for Parents".
- I understand that there are risks associated with my child/ren attending the programme. To help minimise these risks, the programme has safety procedures, as well as rules and boundaries for all children, that must be complied with.
- The supervisor has my permission, if necessary, to arrange urgent medical treatment at my cost and to move my child/ren in an emergency to a safer location.
- If you have any questions about the programme or wish to see the programme policies prior to signing, please ask Tessa (Recreation Programmer).

Please note: There are no refunds, replacement child is welcome.

After two sessions you must sign up and pay in advance for the rest of the term unless otherwise arranged with Tessa for special circumstances.

Payment must be made on first day of attendance
